## Borrower Certifications

**I understand that:** (1) My deferment begins on the date the deferment condition began; (2) GSM&R will not grant this deferment request unless all applicable sections of this form are completed and required documentation is provided; (3) **Principal payments will be deferred, but I am responsible for paying the interest that accrues;** and (4) If I do not choose to make interest payments, GSM&R may capitalize (see Definitions) all unpaid interest to the extent permitted by law. This will increase the principal balance of my loans. My loan term will also increase by the number of deferment months used.

**I certify that:** (1) The information provided above is true and correct; (2) I will provide documentation, as required, to GSM&R to support my deferment status; (3) I will notify GSM&R immediately when the condition(s) that qualified me for the deferment ends; and (4) I have read, understand, and meet the terms and conditions of the deferment for which I have applied.

## Section 2 – Definitions

- **Annual gross income** is the gross amount of income you receive annually from employment (either full-time or part-time) and from other sources before taxes and other deductions.
- **Capitalization** is a process whereby unpaid interest is added to the principal balance of a loan. If my interest is capitalized, it will increase the total amount of interest that I will owe on my loan.
- **Deferment** is a period during which you are postponing repayment of the principal balance of your loan. You are responsible for interest that accrues during this period.
- **Family size** is determined by counting (1) yourself, (2) your spouse if he or she lives with you, (3) your children, regardless of where they live, if they receive more than half their support from you, and (4) other persons if they live with you and receive more than half their support from you currently and for the foreseeable future. Support includes, but is not limited to, money, gifts, loans, housing, food, clothes, car, medical and dental care, and payment of college costs.
- **Full-Time** employment is defined as working at least 30 hours per week in a position expected to last at least three consecutive months.
- **Monthly gross income** is the gross amount of income you receive monthly from employment (either full-time or part-time) and from other sources before taxes and other deductions.
- **Student loan debt** is your total loan debt. (Defaulted loans for which you are making payments may be included.)

## Section 3 – Documentation Requirements

### Documentation requirements that I must provide to GSM&R:

- (1) Documentation that confirms that I received payments under a federal or state assistance program.
- (2) Documentation of my most recent monthly gross income and documentation of my total student loan debt (i.e. disclosure statement, current repayment schedule). The documentation must include the monthly payment amount, beginning loan balance, and repayment terms. If any loans are in default, I must provide documentation that I have made payment arrangements acceptable to the holder of a loan. Documentation is needed only for those loans not serviced by GSM&R.
- (3) Documentation of my monthly or annual gross income. This documentation is a copy of my most recent Federal Income Tax Return or my most recent month of check stubs, EFT notices, etc.
